

RESERVATION & RENTAL INFORMATION

RESERVATIONS

We accept reservations for groups of 50 and less. Groups will be given options depending on their size and the day and time they would like to have their event. In the summer, an outdoor grill is available to reserve for one's party. There is no fee for such reservations. All we ask is that parties purchase a minimum number of beverages. We by no means will hold you or your group accountable for the suggested minimum. We only ask this because we have many requests for reservations, which we grant on a first-come first-serve basis, in addition to our regular non-reserving patrons. We are happy to accommodate you, and hopefully in exchange you will keep our servers busy and avail yourself of eight draught craft beer lines and our extensive whisk(e)y list.

RENTAL SPACES AVAILABLE

Our **BAR + FLOWER SHOP** accommodates many parties each season. Together they can hold a maximum of 70 guests comfortably. We have two wraparound booths in the back of the bar with banquette seating, and the flower shop has a front banquette as well. Both the flower shop and back area of the bar can provide extra space away from the central bar area, or can serve as set-up areas for photo booths, cake tables, etc. Our cellar space is included in the rental of this space.

Our **BACKYARD GARDEN** is an ideal venue for a seasonal wedding or event. This space can be rented alone or with the bar and can comfortably fit 80 guests. The backyard is equipped with a serving bar, including four draught lines. There is ample space for catering tables and the layout of the space can be arranged to one's liking on the day of the event. Our cellar space is included in the rental of this space.

Our **CELLAR SPACE**, located downstairs (it is not handicap accessible) is used weekly for bands and events handled by our booker, but can be reserved as long as there are no conflicting events scheduled. The space is suitable for parties up to 40 people. Many of our guests choose to rent the upstairs bar for their event, and then

move the party downstairs, plug in their mp3 players into our downstairs system, and continue dancing and mingling after their rental session has ended. It's also an excellent option for smaller gatherings such as private tastings, wedding and baby showers, or group meetings. It is equipped with a raised and lighted stage, a wraparound banquette, and a variety of tables and benches should you need them. While our cellar space is booked months in advance for bands, please contact us at your earliest convenience if you have a specific date in mind and we will do our best to accommodate you.

MUSIC AT SYCAMORE

Live music is welcomed for private parties either in our venue space, the bar or outside. As we are located in a residential neighborhood, our backyard garden can only accommodate acoustic bands out of respect for our neighbors. If this is something that interests you, please find our technical specifications on the Sycamore Presents page of our website, at the bottom of the page.

Sycamore is equipped with a full DJ station in the upstairs bar. We require DJs to bring their own needles. The upstairs sound system can be connected to both the cellar space and the backyard.

When either the entire space or the cellar are rented, guests are more than welcome to provide their own mp3 player (no CDs please) for customized playlists.

RENTAL DETAILS & PRICING

Below is an approximate pricing schedule to rent out all areas of Sycamore and to close the door to the public. These prices are to give you a sense of our rates, and are subject to change depending on the party, the day, the time of day and the duration. Sycamore's spaces are available for rent for a minimum of three hours. We will work with your scheduling needs to find a time frame and price that suits your occasion. Once your designated time is over, we will remove all signs and the bar will be open to the public. You are more than welcome to continue hanging out at Sycamore as long as there is not a rental following yours or an event occurring in the cellar space.

During the warmer months, we cannot guarantee clear skies on the day of your event, but we can recommend a tent rental company so you can ensure your garden party will be enjoyable.

All tents, decorations, flatware, and additional fixtures are the responsibility of the renter. Decorations are welcome as long as they do not damage the space. The renter is responsible for the set up and break down of such equipment. Sycamore also has 4 (4'x2 ½') and 1 (14'x2 ½') tables available for use.

We will decorate the rented space with flowers from the flower shop for the duration of your event. Any additional custom floral arrangements and decorations are of course available for an additional charge. If you have any questions regarding this, please contact our flower shop at sycamoreflowershop@gmail.com.

CATERING & OUTSIDE VENDORS

While Sycamore is a bar and does not have a kitchen, we welcome catering companies and restaurants for private events. We have a walk-in refrigerator and space for catering storage and set-up in our basement. We can provide some items such as chafing dishes, linen, glassware, and candles. Our sister business, The Farm on Adderley, located several doors down, has a newly expanded events and catering department for private parties and frequently caters private events at Sycamore.

BAR OPTIONS

Sycamore is a bar, thus we ask you to remember that guests must be 21+. If you would like to include younger guests and supervised children at your event, you are required to let us know in advance of the booking so we can discuss the appropriate adaptations.

Sycamore can cater our full bar and extensive whisk(e)y list to your specific event's needs. Most of Sycamore's beverages, excluding our finer whisk(e)ys, are in the \$6-\$12 range.

Our non-alcoholic options include: coke, diet coke, sprite, tonic, seltzer, orange, cranberry, grapefruit, pineapple, and tomato juice. If there is something that you are looking for that we do not have, we would be more than happy to find it for your event.

OPEN BAR

If you'd like to make our full bar available for your party, we can present all of our bottled beers, draught beers, wines, whisk(e)ys, premium spirits, well spirits, and non-alcoholic beverages for your guests. The open bar is available for parties of 20 or more. We are also happy to cap your open bar at a certain amount. Once this amount is reached, we will close the open bar tab, and the bar will operate as a cash bar on consumption basis.

Premium Open Bar: Includes all beer, all wine, and most liquor (no shots). Price depends on the length of the open bar, the day, and the time.

Well Open Bar: This option includes most wines, most beers, and any mixed drinks with house brand well liquor (no shots). Price depends on the length of the open bar, the day, and the time.

SELECTED BAR & SPECIALTY COCKTAILS

We frequently work with clients to select an affordable array of whisk(e)ys, draught beer, and well/midrange spirits. This ensures guests many beverage options while keeping the clients' tab at their specified amount, or in the case of an open tab, in a range they approve. Since most of Sycamore's draught beers, well drinks, and wines are \$8 or less, this is a very accessible option.

We also offer the option of creating one's own cocktails (such as Bride's & Groom's Cocktails). We will work with you to tailor them to your taste. Sycamore always carries eight draught beers from domestic crafts to international brands and beyond. Should you have a draught beer selection you would like to serve at your event, we can work with you to design a customized beer list.
